Dear Mark,

It is always a good day when members of the Milwaukee Radio Amateurs' Club, Inc. are on the grounds of Ozaukee County Pioneer Village. Your involvement with our Open House weekend in mid-June was an added attraction and we appreciated your efforts on relatively short scheduling.

We hope that you will be planning on being out for the Open House in 2009 and again for your regular Field Days event.

Your donation of one hundred (\$100.00) to the up-keep of the Milwaukee Road Depot at the Village is appreciated. You are well aware of the cost of maintaining old structures and any help in defraying that cost makes us happy.

Thank you.

Sincerely,

Mary Sayner

President
